Kenmore Community Market Grand Opening

Business and community leaders will help kickoff the inaugural season of the Kenmore Community Market, 4:00 Thursday, June 1 with a ribbon cutting and grand opening festivities. Over twenty vendors will be part of opening day. Special activities are planned, including fun and free games for kids.

Just a few blocks north of Kenmore's downtown core, Cedar Park Northshore Church will host the Kenmore Community Market 3:00-8:00 on Thursdays, June-August. Northshore is located at 18737 68th Ave NE. The church is making its parking lot closest to 68th available for this special event.

"There is a lot of buzz throughout Kenmore. We have been blown away by the support we have received by so many of our neighbors. I am confident the market will quickly become another reason why we all love Kenmore," said Dan Neary, Northshore's lead pastor.

"I am really excited by the variety and quality of our vendors," said Jenni Jensen, market director. Northshore will welcome over 20 vendors each Thursday, including farmers, crafters, food trucks, and artisans. "There is a great deal of interest, and there are a few spots still available," added Jensen. Those interested can find more information at www.KenmoreMarket.com or call Jenni at 425.939.1377.
